ETERNAL VISION

RAVI GARYALI

Co-Founder of IPI

- Ravi Garyali has laid the structural foundation and core values of IPI.
- He Pioneered sustainable water automation and irrigation excellence, brought in the revolution in the field of sports field maintenance by roping in Global Turf companies into India.
- His Legacy of foundational ethos continues to inspire our corporate mission.

GUIDING FORCE

KANWAL KUMAR MISRI

Co-Founder of IPI

- Our foundation is built on a rare, 45-year partnership of absolute trust and shared vision. While we deeply feel the loss of our late Co-Founder, the steering wheel of IPI's remains firmly in the hands of his lifelong friend and founding co-partner **Mr. Kanwal Misri**. He stands as our active anchor - safeguarding our core values, steering the board, key partner relationships, actively managing and securing IPI's critical, long-term global partnerships with industry leaders like Toro and personally mentoring the next generation to carry our legacy forward seamlessly.

Resorts typically span an enormous parcel of land. If there are no transport options, it can be inefficient and frustrating for guests and staff to get around.

Uses for golf carts on a resort include:

- Luggage transportation.
- General transport for staff and guests.
- Maintenance of the grounds and indoor property.
- Laundry pick up and drop off.
- Guest rental.
